England

H. Buxton Forman Esqre

46 Marlborough Hse

St. John's Wood

London

N.W.

Colvin and Ralph Thomas, as you are
my only friend in England. The latter
would of course receive his fee as in
all similar cases. I think with your
talent, tact, and influence the difficulty
may be overcome. It is custom not the
Government with whom we oppose.

With our united remembrances
to all your family

Truman.

Ever yours sincerely
L Hunts de Leon

L Boston Esmere Esqre
